

Graphing Quadratic Functions

Set 5-1a

Graph the following functions
and state the domain and range.

1) $y = x^2 - 1$

2) $y = 3x^2$

3) $y = -x^2 + 2$

4) $f(x) = 4x^2 - x + 1$

5) $g(x) = 2x^2 - 3x$
